BERNARD BOOTH

Bernard Booth has well and truly stood the test of time as a Market Leader in the South Australian Real Estate Market for 30 years.

He has ridden the wave through good times and bad, has experienced tough times and seen two quite severe recessions and is still there at the top!

What are Bernard's secrets of success, what motivates him, why is he a household name in metropolitan Adelaide, how has he survived at the top for so long?

And what of the next few years, how to survive and grow market share when others are downsizing?
