Messenger Community News~BankSA
Golden Gavel Competition

CASH PRIZE \$500

General Auctioneers, submit a three minute video of you conducting a General Auction:

We have engaged the services of Grant Puckridge of Compass Digital Media to film your performance at one of your General Auctions, edit the footage, and then provide a 3 minute DVD as a promotion for you and your company. To participate you will need to complete a Messenger Community News~BankSA Nomination Form and ensure it is received prior to the 15th April 2011 for each Auctioneer that wishes to participate as this promo will be relevant to one Auctioneer only, together with your nomination fee of \$165.00 (non members \$275) and also forward us your cheque for Compass Digital Media of \$600 for their charges in relation to the DVD (plus travelling outside the metropolitan area if applicable).

Whilst the cut off date is 15th April 2011, Grant is ready to commence as soon as you wish, so please proceed as soon as possible.

This initiative will be an opportunity to promote your company and Auction in both a marketing and competitive role in a unique manner. The winner of the best promotional DVD will be announced at the Messenger Community News~BankSA Golden Gavel Dinner on Friday 20th May.

The highest scorer who is present at the Awards Dinner will be announced the Winner, in the event that the highest point scorer is not there then the next highest points scorer will be announced as the winner, i.e you must attend the dinner to be recognised as the winner!
