# The Society welcomes Marc du Plessis to the board!

Marc du Plessis is a Director and General Manager of Adelaide's foremost Auctions Rooms situated at 1 London Road, Mile End "duPlessis Auctions" selling antiques, fine art, jewellery, wine, special vehicles, historic memorabilia and decorator items. du Plessis Auction Gallery was established in Sydney in the mid 60s by his parents Peter and Robin.

As General Manager, Marc is heavily involved with the day-to-day workings of the company. It's a position we like to think he was born for, as he attended his first company auction at just two days old. Now having tallied up thirty eight plus years in the industry and with particular expertise in European paintings, 18<sup>th</sup> century & earlier furniture, and sporting memorabilia, he is responsible for maintaining their high standard of items for sale.

Marc is a past President and current Fellow of the Society of Auctioneers and Appraisers (SA), a multi-award winning, world record breaking auctioneer, (including three times winning The Golden Gavel Auctioneer of the Year), and also a multi-award winning appraiser.

Marc fills a casual vacancy after the resignation of Trent Godfrey.

Trent Godfrey and Trish Johnson have each made valuable contributions during their numerous years of tenure, bringing dedication, insight, and professionalism to their roles, and we thank them both for their service.

We recognise and appreciate the time, energy, and commitment they have each invested in representing our members and supporting the Society's objectives.

Both Trent and Trish were recently appointed to positions that reclassified their Society Membership to Affiliate Professional which precluded them from continuing to sit on the Society Board.

They have both moved on to new roles within the profession and we wish them all the best.

# Master Forms

The Real Estate Institute of SA and the Society of Auctioneers and Appraisers (SA) Inc. have announced an agreement to work closer together, initiating the endorsement of one set of industry forms.

## "MASTER FORMS"

Residential, Rural, Commercial and Industrial, Business and Residential Property Management.

Announcing the partnership, both organisations said that the time was right to work together closely to secure ownership of documentation and the importance of these transactional forms to being industry-owned and industry-led.

# 21 ADVANTAGES OF AUCTION

SOCIETY OF AUCTIONEERS & APPRAISERS S.A. INC.

## The 21 Advantages of using Auction as Your Preferred Marketing Process

**POWERFUL MARKETING TOOL**

*Auction puts the Focus on Your Property*

What are the Advantages to me as a Vendor?

1. Control, as Vendor you set the terms and conditions.
  2. You get a cash unconditional contract.
  3. 10% deposit on the fall of the hammer.
  4. No cooling off period applies.
  5. Allows 3 opportunities to sell – before, at Auction or immediately after – and reduces the overall selling time in the market.
  6. Creates a sense of urgency, which motivates purchasers to action.
  7. Allows all potential buyers to compete amongst themselves to offer you the best price.
  8. Can be used as part of a total marketing package where auction is the component that gets the buyers to act.
  9. Price is usually not disclosed so you remove the objection factor.
  10. Forces buyers to make decisions to a deadline of the auction date and brings negotiations to a head.
  11. The Auctioneer's skills, enthusiasm and techniques can maximise the price.
  12. Vendors control their reserve price and settlement date and accept or reject varied terms and get cash contracts, which usually settle in 30 days.
13. In every other form of marketing the buyer is in control. The buyer will dictate the offer, terms, subject to finance, subject to sale, subject to building inspection etc. and get a cooling off period. The buyer will negotiate from a position of strength. With Auction the Vendor dictates the terms.
  14. Auction opens the door to more motivated buyers.
  15. The Auction marketing campaign that you choose will be tailored to deliver maximum exposure within the first few weeks on the market – the time frame during which it is most likely to sell.
  16. Your home is only open at times that suit you with a predetermined schedule of opens.
  17. The level of market interest will help you gauge your reserve price.

**What is an Auction?**  
Auction is a process which allows interested parties to make competitive bids which establishes the current market value of the property in an open, transparent and public form utilising the skills of an experienced auctioneer.

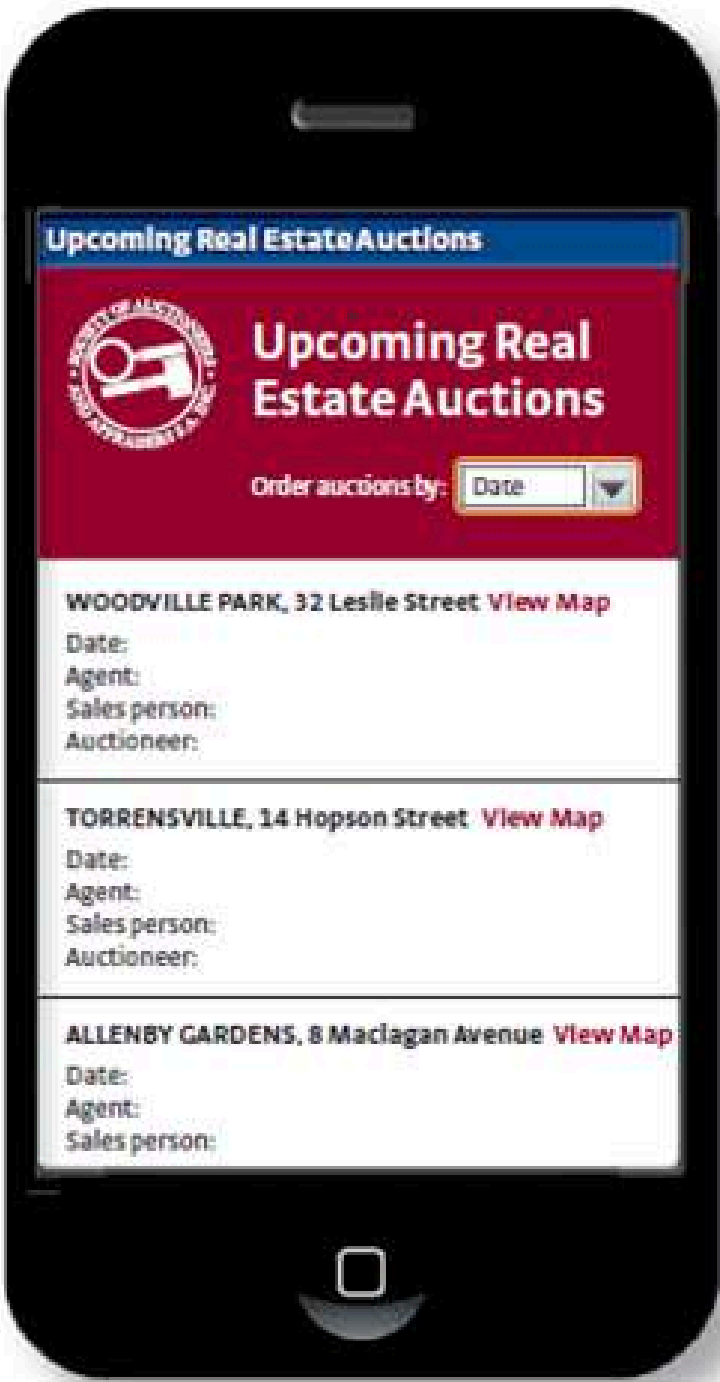

**Why Auction Real Estate?**  
Real Estate Auctions have become one of the most popular methods of buying and selling property in Australia with substantial benefits for both Vendors and Purchasers. Auction is used as the preferred method of sale by Beneficiaries, Governments, Banks, Administrators, Executors & Trustee Companies, Corporations and Private Vendors and has been proven to be the best method of establishing true market value.  
*Committed Vendors sell their property by Auction!*

18. The competitive Auction environment offers the greatest chance for a premium price.
19. Auction negates the need for commissioner's approval when dealing with associates under legislation saving valuable time.
20. Unlike other marketing methods where buyers generally negotiate down from the asking price, at Auction buyers increase their offers commensurate with the skills of the Auctioneer.
21. On the fall of the hammer the Vendor becomes a cash buyer subject to settlement only.

If you're not auctioning your property you are missing out on the highest bid – it costs no more to have Auction as part of your marketing strategy
