2026 SOUTH AUSTRALIAN MARKET REPORT

Tuesday, 28 July 2026

Lamb and sheep numbers lifted this week, with agents yarding approximately 7,500 lambs and 1,000 sheep. Quality throughout the sale was very good, with the majority of lambs presented in ideal trade condition.

Most regular processors and trade buyers were active, although one major buyer was absent. Competition from specialist butchers strengthened, while restocker demand remained consistent. Overall, the market held firm across most categories, with sheep prices also maintaining recent levels.

Lamb Market

Crossbred Lambs

Light Store: **\$160–\$200**, better quality stores **\$180–\$230**

Trade: **\$250–\$265**

Heavy Trade: **\$280–\$315**

Extra Heavy Export: **\$320–\$410**

Merino Lambs

Store: **\$150–\$170**

Trade: **\$250–\$280**

Heavy: **\$285–\$300**

Extra Heavy: **\$330–\$380**

Sheep Market

Mutton

Light: **\$140–\$190**

Trade: **\$220–\$230**

Heavy: **\$260–\$280**

Outside the Saleyards

Demand for store sheep remains exceptionally strong, with buyers continuing to compete aggressively for quality stock.

New season Crossbred Store Lambs: **\$7.00–\$7.50/kg liveweight** (*record levels*)

Merino Wether Lambs: **\$6.80–\$7.00/kg liveweight**

Young Unjoined Merino Ewes: **\$300–\$350/head**

Late Pregnancy Tested Merino Ewes: **\$390–\$450/head**

Market Outlook

Livestock values continue to trade at record levels, underpinned by exceptional seasonal conditions across much of South Australia. Abundant feed availability, strong producer confidence and ongoing demand for replacement breeding stock continue to support the market. While buyers remain selective on quality, well-presented livestock continue to attract excellent competition both in the saleyards and through private transactions.

GOLDEN GAVEL WINNERS LUNCH 2026

The Golden Gavel Winners Lunch was held at Soda Rooftop Glenelg on 31 July, bringing together this year's winners and previous recipients for an afternoon of celebration.

President Marc Du Plessis congratulates Angus Barnden on his first win of the Golden Gavel General trophy and presents Bronte Manuel after his 5th win as the Golden Gavel Champion with a new award this year of the ACE Award for the highest percentage aggregate score overall for Real Estate, General and Livestock.

The event provided an opportunity to recognise the achievements of the newest winners while reconnecting with past Golden Gavel recipients who came along to show their support and share in the occasion.

Our Story

Two sisters from a farming family of five children, spent their weekends and school holidays rolling out dripper lines with Dad over the flats of Coonawarra before it was the rows and rows of vineyard we see today.

Where are we?

We are in southern Wrattonbully, in South Australia, midway on the inland route between Melbourne and Adelaide, on elevated tablelands, somewhat off the beaten track where we can focus on the business of growing premium wine grapes without distraction.

Our approach to our vineyard is much the same as raising our children; provide a sustainable, healthy, nurturing environment and don't interfere too much!

The 21 Advantages of using Auction as Your Preferred Marketing Process

POWERFUL MARKETING TOOL

Auction puts the Focus on Your Property

What are the Advantages to me as a Vendor?

1. **Control**, as Vendor you set the terms and conditions.
2. **You get a cash unconditional contract.**
3. **10% deposit** on the fall of the hammer.
4. **No cooling off period** applies.
5. **Allows 3 opportunities to sell** – before, at Auction or immediately after – and reduces the overall selling time in the market.
6. **Creates a sense of urgency**, which motivates purchasers to action.
7. **Allows all potential buyers to compete** amongst themselves to offer you the best price.
8. Can be used as part of a **total marketing package** where auction is the component that gets the buyers to act.
9. **Price is usually not disclosed** so you remove the objection factor.
10. **Forces buyers to make decisions** to a deadline of the auction date and brings negotiations to a head.
11. **The Auctioneer's skills**, enthusiasm and techniques can maximise the price.
12. **Vendors control their reserve price** and settlement date and accept or reject varied terms and get cash contracts, which usually settle in 30 days.
13. In every other form of marketing the buyer is in control. The buyer will dictate the offer, terms, subject to finance, subject to sale, subject to building inspection etc. and get a cooling off period. The buyer will negotiate from a position of strength. **With Auction the Vendor dictates the terms.**
14. **Auction opens the door** to more motivated buyers.
15. The Auction marketing campaign that you choose will be tailored to deliver **maximum exposure within the first few weeks on the market** – the time frame during which it is most likely to sell.
16. Your home is only open at **times that suit you** with a predetermined schedule of opens.
17. **The level of market interest** will help you gauge your reserve price.

What Is an Auction?

Auction is a process which allows interested parties to make competitive bids which establishes the current market value of the property in an open, transparent and public form utilising the skills of an experienced auctioneer.

Why Auction Real Estate?

Real Estate Auctions have become one of the most popular methods of buying and selling property in Australia with substantial benefits for both Vendors and Purchasers. Auction is used as the preferred method of sale by Beneficiaries, Governments, Banks, Administrators, Executors & Trustee Companies, Corporations and Private Vendors and has been proven to be the best method of establishing true market value.

Committed Vendors sell their property by Auction!

18. **The competitive Auction environment** offers the greatest chance for a premium price.
19. **Auction negates the need for commissioner's approval** when dealing with associates under legislation saving valuable time.
20. Unlike other marketing methods where buyers generally negotiate down from the asking price, **at Auction buyers increase their offers commensurate with the skills of the Auctioneer.**
21. **On the fall of the hammer the Vendor becomes a cash buyer** subject to settlement only.

If you're not auctioning your property you are missing out on the highest bid – it costs no more to have Auction as part of your marketing strategy
